Notice of Public Availability

Administrative Record for OU2-903 Pad, Mound and East Trenches at the Rocky Flats Plant Golden, Colorado

Notice of Comment Period Extension

The Public Comment Period on the Proposed Subsurface Interim/ Measures/Interim Remedial Action Plan Environmental Assessment and Decision Document for Operable Unit 2-903 Pad Mound and East Trenches Has Been Extended Until July 9, 1992.

The Administrative Record file under the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) is a collection of all documents which were relied upon to select a response action for the clean-up of a hazardous waste site. Requirements for Administrative Records are established under section 113(k)(1) of CERCLA (1980), as amended by Superfund Amendments and Reauthorization Act (SARA) of 1986. The Department of Energy (DOE) seeks to inform the public of the record file and to encourage the public to comment on documents as they are placed in the record file.

DOE announces the availability for public review of files comprising the Administrative Record for Operable Unit 2-903 Pad, Mound and East Trenches. The administrative record supports any decisions made about Operable Unit 2. Documents will be added to the record files as see work progresses. These additional documents may include, but are not limited to, the Remedial Investigation/Feasibility Study (RI/FS)/RCRA Facility Investigation/Corrective Measures Study (RFI/CMS) report, additional validated sampling data, comments by interested persons, and comments by EPA and Colorado Department of Health. Please direct written comments to:
