Attention: Mr. G. E. Fox

Subject: ACCOUNTING FOR SOURCE AND FISSILE MATERIAL

Gentlemen:

We are enclosing for your guidance copy of Bulletin GM-95, and a list of accountability stations dated August 1, 1948.

We are also enclosing a model report prepared in this office for the month of July 1948, for SF material at your installation. It is requested that you follow this model when preparing your report for the month of August. Instructions on this form appear a part of Bulletin GM-95 as Exhibit I.

You will note a revision in the distribution of shipping forms as shown on the reverse side of Exhibit II attached to Bulletin GM-95. This new distribution is to be followed on and after September 1, 1948.

Very truly yours,

GENERAL INVESTIGATIVE DIVISION  
NEW YORK OPERATIONS  
NEW YORK 15, N. Y.

J. P. Morgan, Assistant Director  
Production Division
