Subject: SOURCE MATERIAL LICENSE NO. C-3862

Gentlemen:

Reference is made to your teletype dated October 30, 1957, concerning the procurement of 1 kg. of RE-40 metal. RE-40 metal is available in the form of flat rolled reject plates. This material measures  $\frac{1}{4}$ " thick by 3" wide by  $\frac{1}{2}$ " to 2' long.

We are enclosing for your use in ordering this material four partially completed copies of our Source Material Order Form. Please complete, sign, and mail the original and two copies to:

U. S. Atomic Energy Commission  
Post Office Box 128  
Mt. Healthy Station  
Cincinnati, Ohio  
Attention: Mr. C. L. Karl

Upon receipt and acceptance of these forms, Mr. Karl will arrange for the shipment of the metal to you f.o.b., Cincinnati. The cost of these plates will be based on the established price of \$9.75 per kg. of contained uranium. This price does not include special handling or transportation charges. You will be billed on the basis of the actual amount of metal shipped by the National Lead Company of Ohio.

The above price is classified "Confidential-Restricted Data". Any documents which would reveal this information must be similarly classified; therefore, we have not shown unit price nor total price on the order forms.

~~RESTRICTED DATA~~

This document contains restricted data as defined in the Atomic Energy Act of 1954. Its transmittal or the disclosure of its contents in any manner to an unauthorized person is prohibited.

COVER SHEET FOR SOURCE MATERIAL ORDER FORM

The Commission regulations on classification prescribe that a document must be classified when, in conjunction with unclassified information, it will reveal classified matter. A Source Material Order Form with a price on it, if placed with a shipping document indicating the quantity of material, would reveal the unit price which is classified information. If you wish to indicate the extent of your commitment on the Source Material Order Form for your own purposes, you should classify the forms as "Confidential-Restricted Data".

Only those persons having an "L" or "Q" clearance will be informed of the unit price or be given the unclassified total price and the quantity of material from which the unit price could be computed.

For further information concerning this material, you may contact Mr. Karl directly.

Very truly yours,
