Gentlemen:

Enclosed is AEC source material license number C-222 renewed to expire on April 1, 1957.

You are hereby authorized to procure from the Commission, under your license, 250 grams of iodide thorium. We understand that you have been in touch with Mr. Stuart Bean, Research and Development Division, Atomic Energy Commission, Oak Ridge, Tennessee regarding the procurement of the thorium. Mr. Bean will give you instructions relative to the billing of the material.

Very truly yours,

Loyal Johnson  
Chief, Licensing Branch  
Division of Civilian Application
