SHIPMENT OF FUSED URANIUM OXIDE MUC-350

REFER TO
SYMBOL: L. PU:BOSE

MATERIALS 5 (Tona.)
MATERIALS written on MUC 350

The above material is to be shipped to you from the Horton Company at Niagara Falls, Ontario, Canada. We are directing to you a copy of a letter sent to this Company regarding shipping instructions.

The Horton Company will send 25 to 50 pounds of fused uranium oxide and a small amount of sinter residus in separate containers. We are enclosing the import papers. It will be necessary for you to fill in the weights, method of shipment, etc. It is requested that you ship the material by express money waybill to the following address:
(in dup.)

U. S. Atomic Energy Commission
Chicago Operations Office
1718 W. Pershing Road, Warehouse #9
Chicago, Illinois
Attention: Research Service Division

Please mark all containers "MUC-350". The SF papers should already be at the Chicago Office.
