Subject: CONTRACT AT (30-1)-1293 - U METAL REQUIREMENTS

Gentlemen:

In reference to your letter of January 20, 1953, on the subject, this office has reviewed your uranium ingot requirements for the Calendar Year 1953.

We plan to supply you with 40 tons of uranium ingot metal over the period May - December 1953. Mr. G. E. Dunlap of this office has reviewed your requirements based upon your present inventories and proposed operating levels. No additional material will be supplied unless there is some major operational change.

The material will be supplied in the form of ingots 4" to 4 1/4" in diameter, and 20" to 24" long.

All reject slugs previously allocated and now on order will be delivered as requested. These are not included in the 40 ton allocation.
