Pursuant to your request an audit of the books was made at the plant of the subject contractor covering overhead costs for the period July 1, 1950 to March 31, 1951.

Work on contract AT (30-1) 620 was discontinued during August 1950. The physical work on contract AT (30-1) 861 was completed during December, 1950, and paper work and reports were carried on through March 1951.

Test checks of the contractor's records were made to the extent deemed appropriate in the circumstances. No exceptions were noted, and the overhead paid to the contractor during the period July 1, 1950 to March 31, 1951 appears proper.

CC: Mr. M. Goldberg
Mr. J. McKee
Mrs. V. Duncombe
Mr. Del Vecchia
