MATERIALS (Zr)

Attention: Glen Humphreys

The following information concerning the procurement of zirconium tetrachloride is supplied in accordance with a telephone request made on June 11, 1951 by Mr. C. Keller of your office to Mr. S. B. Roboff of this office.

In May 1950, this office entered into Contract AT-30-1-028-021 with the Titanium Alloy Manufacturing Division of National Lead Company for the purchase of commercial grade zirconium tetrachloride. Our records indicate that the National Lead Company was chosen as the supplier of this material inasmuch as this Company was the only known large scale producer of commercial grade zirconium tetrachloride at the time.

Should you require additional information concerning this contract, please do not hesitate to contact me.
