INTERIM PERMIT

Mr. Dick Duff, Area Manager
U. S. Atomic Energy Commission
St. Louis Area Office
P.O. Box 36
Bremen Station
St. Louis, Missouri

W.A. No. 4B - FCA 6-20
Tyson Valley Powder Firm
St. Louis County, Missouri

Dear Sir:

You are hereby granted a permit for the continued use of two TNT storage magazines situated in the Tyson Valley Powder Firm, St. Louis County, Missouri, for storage purposes at your own risk and responsibility and without liability to the undersigned disposal agency and by acceptance of this permit agree to hold the War Assets Administration and this disposal agency harmless from any and all claims for damage to property or persons by reason of your storage of materials in said magazines or the removal of materials therefrom, together with the right of ingress and egress into the area.

This permit is granted without consideration for the use of premises aforesaid and is revocable upon 30 day notice sent by registered mail to the permittee at its above-mentioned address, and the permittee agrees hereby to vacate the said premises and remove all of its materials now in storage or that then may be in storage in said magazines within the 30 day limitation.
