REQUEST FOR SQUARE URANIUM BARS - SR-1576

REFER TO
SYMBOL: PU:HJH

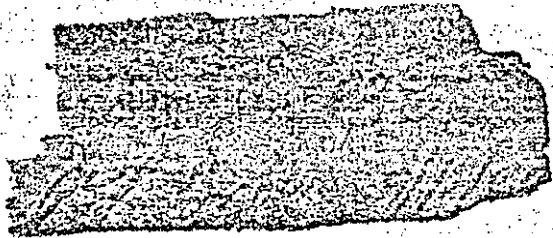

MATERIALS 5 (Tena)

This will confirm your telephone conversation of November 14 with Mr. Hershman of this office on the above request. Please arrange to ship 150 linear feet of rough-rolled uranium bars 1 1/2 inches on the flat edge. This material should be cut in 5 to 6 foot lengths and shipped by express on a money waybill to:

University of California
Radiation Laboratory
184 Inch Area, Building 5
Berkeley, California
Attention: H. B. Garden

The material and correspondence papers should bear the above identification symbol SR-1576. Inasmuch as the material is being shipped over quite a distance, every precaution should be taken to see that it is boxed securely.
