The U.S. Department of Energy (DOE) Office of Legacy Management has released the *Fernald Preserve 2018 Site Environmental Report*. This annual report provides stakeholders:

- Results of the ongoing environmental monitoring program
- Summary of on-site activities
- Summary of compliance with environmental regulations, site agreements, and DOE policies that govern site activities

The report is supplemented by three appendixes. The report and supplemental appendixes are available at <https://www.lm.doe.gov/Fernald/Documents>.

Hard copies of the entire report are available for review at the Fernald Preserve Visitors Center, which is open Wednesday through Saturday from 9:00 a.m. to 5:00 p.m. You may request a hard copy by calling (513) 648-3330, or emailing Fernald@lm.doe.gov. The report will be featured at the Fernald Preserve Annual Community Meeting on October 15, 2019.

Sincerely,

Sue Smiley
