Month-at-a-Glance

• All programs begin in the Visitors Center •

Bats

Saturday, April 1 • 7:30 p.m. to 9:30 p.m.

Anita Buck, local bat conservationist and educator, will be our guest speaker. She'll give us a peek into the world of bats, their habits, and how they benefit the environment and agriculture, as well as some information about bats that are found locally and what to do if you have a close encounter with a bat. Bat hike to follow indoor presentation, weather permitting.

Earth Day Haiku Hike

Saturday, April 22 • 10:00 a.m. to Noon

The month of April celebrates both Earth Day and National Poetry Month. We're observing both by honoring nature through the art of Haiku. Be inspired by Fernald's natural beauty and write your own Haiku while being immersed in nature. Instructions and materials supplied.

Bobcats Are Back

Saturday, April 29 • 2:00 p.m. to 3:00 p.m.

Discover the natural history and habitat of bobcats, their diet, behavior, reproduction, population size, and how we can safely coexist with them. Emily Archiblad, Ohio Division of Wildlife private lands biologist, will be our guest speaker. Program will conclude with a question and answer session.
