Dear Mr. Fullen:

FORMER BLISS AND LAUGHLIN SITE - NHPA (SECTION 106) DETERMINATION

In accordance with Section 106 of the National Historic Preservation Act (NHPA), the Department of Energy (DOE) has determined that the proposed site characterization and removal of radiological contamination at the former Bliss and Laughlin Steel Company site located at 110 Hopkins Street in Buffalo, New York, will have no effect on properties included, or eligible for inclusion, on the National Register of Historic Places.

A description of proposed site activities is enclosed, along with site maps and photographs. Your concurrence that this undertaking will have no effect on properties included, or eligible for inclusion, on the National Register of Historic Places is requested by February 24, 1995.

If you have any questions or if you need additional information, please call me at (615) 576-0273.

Sincerely,

Gary S. Hartman, Environmental Scientist
Former Sites Restoration Division
