Subject: Technical Memorandum, Vicinity Property Assessment, Colonie FUSRAP  
Site, Colonie NY

Dear Mr. Greco:

Based on our meeting in Albany, we have been made aware that you have not received an updated copy of the Final Technical Memorandum of the Vicinity Property Assessment completed in October 2010. The US Army Corps of Engineers incorporated New York State Department of Environmental Conservation comments. Enclosed please find one PDF copy for your file. We apologize for the oversight and would request that you and your team review the document and provide a concurrence letter.

Should you have any questions, please call me at (917) 790-8230.

Sincerely
