Subject: New Rocky Flats Site Contact Record Available

The U.S. Department of Energy (DOE) Office of Legacy Management (LM) posted the Rocky Flats Site, Colorado, Contact Record 2021-03.

This contact record documents a Rocky Flats Legacy Management Agreement (RFLMA) consultation between DOE, the Colorado Department of Public Health and Environment (CDPHE), and the U.S. Environmental Protection Agency (EPA) in response to a Reportable Condition for plutonium at Point of Evaluation SW027. The RFLMA consultation objective was to determine a course of action in response to the reportable condition and ensure the remedy remains protective of human health and the environment. This contact record was reviewed and approved by CDPHE in coordination with EPA Region 8.
