Virtual meeting set for Rocky Flats site updates

The U.S. Department of Energy Office of Legacy Management is hosting a virtual meeting on Tuesday, June 17, at 6 p.m. to share information from the Rocky Flats Site, Colorado, 2024 Annual Report. The presentation will include updates on site operations and surface water, groundwater and ecological monitoring with time for Q&A and public comment. RSVPs are not required. The meeting is open to all stakeholders and community members. To attend the meeting, please click the Zoom link below at the scheduled meeting time.
