MEMORANDUM FOR Commander, North Atlantic Division, Fort Hamilton
Military Community, Brooklyn, NY 11252

SUBJECT: Explanation of Significant Difference for the Wayne
FUSRAP Site, Wayne, New Jersey

1. In accordance with the Approval Authority Matrix for the USACE FUSRAP Program (CEMP-R/CECW-B Memorandum dated 19 November 2001), the Explanation of Significant Difference (ESD) for the Wayne FUSRAP Site was submitted under a separate cover for signature by North Atlantic Division.
2. The Record of Decision for the Wayne FUSRAP Site proscribed removal of contaminated soils to an unrestricted release criteria. The same criteria were applied to two vicinity properties previously cleaned up by Department of Energy. The remediation of these properties has been completed. To complete this action we recommend signing the ESD.
3. If you need further assistance, please contact Mr. Allen Roos, Project Manager, at 212-264-0120.
