Re: 826 Black Oak Ridge Road

Block 3305 Lot 89

This Office has received the attached complaint, dated July 30, 2004; from Mr. Neal Bellet, Township of Wayne Business Administrator informing that there is still water runoff coming from your property that still needs to be corrected so it does not flow onto Black Oak Ridge Road in front of your property.

This Office in my March 29, 2004 letter requested that you provide me a plan showing how you propose and when you will construct the necessary facilities to solve this problem.

As of this date, this Office only received a letter from you indicating that you would solve the problem, but no plans were submitted.

Very truly yours,

Steven J. Edmond, P.E.
County Engineer
