Subject: 826 Black Oak Ridge Road, Wayne

Dear Mr. Edmond:

I have been advised that there continues to be water runoff from 826 Black Oak Ridge Road, although I have been told it is not nearly as heavy as it was prior to the recent remediation. This was noticed before the heavy rainfalls that we just experienced.

I would appreciate it if you would contact the owner of the property and advise them of such and ask them to take care of this.

Thank you.

Very truly yours,

Neal Bellet  
BUSINESS ADMINISTRATOR
