Mr. Robert Morse
Remedial Project Manager
US Environmental Protection Agency, Region 2
290 Broadway
New York, NY 10007-1866

Dear Mr. Morse:

The U.S. Army Corps of Engineers, New York District, will be performing an investigation of potentially contaminated soils under the Black Oak Ridge Road adjacent to the Wayne Interim Storage Site (WISS). As you know we are addressing the WISS under the Formerly Utilized Sites Remedial Action Plan. We expect to be mobilizing to the site the week of August 24, 2009. Enclosed please find two copies (one electronic) of each of the following draft documents:

Remedial Design/Implementation Plan Addendum
Quality Assurance Protection Plan
Final Status Survey Plan Addendum
Contractor Quality Control Plan Addendum
Radiation Protection Plan
Accident Prevention Plan

Please provide comments to the above plans within 30 days.

Your attention to this matter is greatly appreciated. Please feel free to contact me at 917-790-8333 with any comments or concerns. You are also welcome to contact my Project Engineer, Ms. Ann Ewy, at 816-389-3863.

Sincerely,

Allen D. Roos
Project Manager

ENCL
