REPLY TO
ATTN OF: EM-421

SUBJECT: Elimination of the American Potash and Chemical Site

The File

TO: I have reviewed the attached site summary and elimination recommendation for the American Potash and Chemical Company Site in West Hanover, Massachusetts. I have determined that there is little likelihood of radioactive contamination at this site.

Based on the above, the American Potash and Chemical Company site is hereby eliminated from further consideration under the Formerly Utilized Sites Remedial Action Program.
