ATTN OF:
SUBJECT: Elimination of the Southern Research Institute, Birmingham, Alabama
TO: The File

I have reviewed the attached site summary and elimination recommendation for the Southern Research Institute. I have determined that the activities at the site were licensed under the Atomic Energy Act and that the site is thereby disqualified from further consideration under the Department of Energy's Formerly Utilized Sites Remedial Action Program (FUSRAP).

Based on the above, the Southern Research Institute is hereby eliminated from further consideration under FUSRAP.
